## **A Message from Sandy**

It's beginning to feel a lot like Christmas!

On Monday, The Link Schools joined together for our Carol Service at The Wallington United Reformed Church. The service was extra special as it was led by Rev. Craig Bowman, an ex parent of the primary school and whose son currently attends the secondary school.

Our older pupils put on a lovely nativity tableau and pupils from Oak, Hazel and Maple sung and signed a carol.

The secondary school provided mince pies and there was a wonderful festive feeling in the air.

On Wednesday, the pupils had a surprise visit from Santa Claus - how lovely it was to see them all excited as they accepted their gifts. All so polite too - a real credit to their parents and the school. Ron Henstock (a former Parent Governor of the school) returns every year without fail to carry out this important role and it is wonderful to see him and hear how his son Dennis is getting on.

Long standing links such as these are one of the things that makes our school so special.

I close our last newsletter of 2019 by wishing you all a very Merry Christmas and a Happy and Healthy New Year.

*Sandy*

## WHAT'S BEEN HAPPENING AT THE LINK?

Hazel Class were treated to an end of term reward trip on Tuesday. Their continued good behaviour and hard work contributed to making this trip go ahead. The class voted to go and see Frozen 2 followed by lunch at MacDonalds.

They all had a wonderful time and unanimously agreed that the trip was fantastic and our cinema critics gave the film a resounding score of 10/10.

Christmas activities have taken over the curriculum this week with festive songs ringing out, together

with alphabet songs and the ever popular nursery rhymes. Some classes have made the most delicious chocolate logs, whilst other have made chocolate Christmas trees - all to take home and share with their families.

But it was the sound of jingling bells the pupils were all waiting for and sure enough at 2.00pm on Wednesday, 'Father Christmas' accompanied by Sandy and Sue D made their way around the school delivering a Merry Ho Ho Ho and a gift for each one of the children.

## AND FINALLY .....

Fiona Phelps, the Assistant Director of Education and SEND (Sutton) sent Sandy the most complimentary letter after hearing the outcome of our Ofsted Inspection. Please find a copy of the letter attached to this newsletter.
