SANDY'S DAILY MESSAGE

For those of you entitled to free school meals, the next batch of vouchers has been ordered today. These should be with you within 5 days and are for a 3 week period, taking you up to 8th May.

The DfE have advised today that as from 27th April, ALDI are joining the national voucher scheme too.

There are a few parents who have experienced problems in receiving their vouchers. Please check your emails today, as Sue R has sent a message updating you in this respect. Hopefully, all has now been resolved.

Remember the school office is opened as usual between the hours of 8.30am and 4.00pm, but should you need to speak to anyone in an emergency, our special mobile number is still active: 07436 364907.

Sandy

ACTIVITIES / LINKS THAT MIGHT BE HELPFUL

A further batch of activities, ideas and work for home is being sent out this week.

Conversations between staff and parents are continuing, be it via email, telephone or even video chats and are proving to be a source of comfort and support for both parties!

Attached to the newsletter today, you will find two "I spy" activity sheets, which may prove to be of fun to some of the pupils. Dependent on ability, stretch the game as far as you can - if they can match the letter/letter sound to the object easily; can they spell the word? Are they able to write the word? If they struggle with letters, can they name every item on the sheet?

But remember, make all activities fun. Never put pressure on your child and enjoy the time spent together whatever you are doing!

WHAT'S EVERYONE BEEN UP TO?

Maheen has been brushing up on her number skills, enjoying matching paper cups to numbers. A simple activity that she has really enjoyed.

Udi has been very busy at home. She is helping with the cleaning and makes her bed every day. She also helps make one meal a day too.

Over Easter, she made some Easter cakes for all her neighbours and with the help of her Mum delivered them too - observing all the social distancing rules of course!

Here at school today, we took some of the lessons outside and made the most of this glorious sunshine.

While inside in the shade, Naz ran an intensive interaction music session with the help of an all singing and dancing elephant, which proved very popular and caused quite a few giggles!
