SANDY'S DAILY MESSAGE

Monday again - strangely time doesn't seem to be dragging whilst we are in lock down does it? The gorgeous Spring weather seems to have helped us all during this period. Any feelings of gloom and despondency we may have felt has been overshadowed by the sunshine and the glorious bright blue skies.

As I write this, my attention is drawn to the school garden, where there is a constant stream of laughter. New friendships are forming amongst the pupils in school, who are relaxed and happy. I'm so pleased that we have been able to provide innovative activities for those key worker and vulnerable pupils and I know this is making an enormous difference to many families and helping them through this time.

As a community, we have developed our resilience and strength and that can only prove of immense value, not only to our pupils, but to us all.

Our school office is opened as usual between the hours of 8.30am and 4.00pm, but remember in case of an emergency our special mobile number is still active: 07436 364907.

Sandy

ACTIVITIES / LINKS THAT MIGHT BE HELPFUL

Lesley (our SSA who runs the After School Cookery Skills Club) has been very impressed with everyone's efforts on the cooking front - she hopes you are all helping with the washing up too! She has decided to send out a weekly recipe sheet and it would be lovely to see photos of the children cooking and washing up that we could share. The first recipe to try is a real favourite with everyone in After School

Club - mini quiches. So do try and make them - maybe for lunch or dinner and let us know how you get on. Have fun!

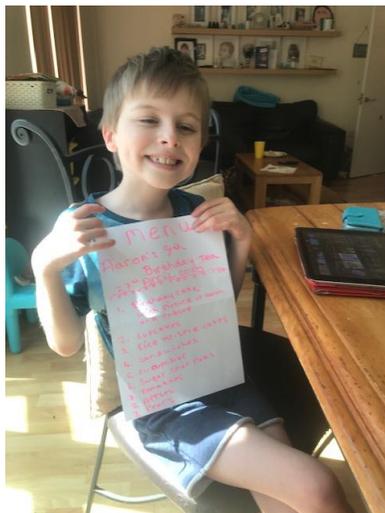

Claire (Lucas' Mum in Willow) has sent in a link which might prove fun. She says it is a very immersive experience:

<https://scanmail.trustwave.com/?c=17268&d=IM0j3jjA6PpDb2bzEjwnYQeYS2ziks47TrYn6Fbzlg&s=1158&u=https%3a%2f%2fyoutu%2ebe%2f0ch%5f0hYrA8Q>

WHAT'S EVERYONE BEEN UP TO?

Happy Birthday to Aaron in Pine Class, who is 9 today!

Aaron has been planning his birthday for a while now and decided that he would like to have an afternoon tea. He worked out a menu and wrote it out beautifully to ensure everyone knew what they would be eating.

We hope that you were able to get all the ingredients and your birthday was a huge success!

Your birthday certificate from Sandy has been posted, so we hope you receive it soon.

Olivia finished her week on Friday with a shaving foam activity, which she thoroughly enjoyed as always.

Mum, Jo said she now has a new understanding as to why Olivia comes out of school every day looking like she does, having been left dropped off at 9.00am looking pristine!! She also has a new found respect for all the staff, especially our cleaners!

Please be aware that at present we are experiencing technical hitches in uploading our videos to the website. However, Simon Gale, OHCAT's Creative Director is on the case and we hope this will be rectified very shortly.
