SANDY'S DAILY MESSAGE

Day 4 and I'm so pleased that even with this forced isolation, the Link community is continuing to communicate and support each other.

Remember should you need to contact us, the office is manned from 8.30am until 4.00pm, so if you need any advice, do not hesitate to contact us and we will offer help and support.

We also have an emergency mobile number that can be used - 07436 364907.

Attached is the latest update from the DfE in poster form which we are displaying at the school.

Sandy

ACTIVITIES / LINKS THAT MIGHT BE HELPFUL

A few more useful links that may prove useful.

Try chatterpack who boast a list of free online, boredom busting resources:

<https://chatterpack.net/blogs/blog/list-of-online-resources-for-anyone-who-is-isolated-at-home>

Carolyn from our OT team has created another activity sheet which she hopes will prove useful. Please find "**Sensory Activities at Home**" attached.

We hope you are all managing to access the on-line sites that your child is familiar with:

- Education City
- Athletics
- Bug Club

If you have forgotten your child's log-in details, please don't hesitate to get in touch with us.

WHAT'S EVERYONE BEEN UP TO?

Here at school, we now have lots of rainbows in our windows, which we hope will bring pleasure to the few people who walk or drive past. We have noticed there are a lot less people passing by now and the main road outside the school is quieter.

Rian has been making shortbread at home, with his Mum overseeing the activity. Knowing how delicious Shelia's cakes are, we feel sure these will be very, very tasty!

Here at school we have been trying to maintain a routine for the pupils, who have been keeping fit with dance lessons, circuits and movement.

Staff were treated to a 'tea party' in the garden yesterday organized by one of our older pupils. No drinks, but delicious bags of crisps and cheddars were on offer, together with muffins made earlier that day.

Today, our entrepreneur set up a garden centre and we were invited to go and buy plants he had potted up.

We think this child will go far!!!
