SANDY'S DAILY MESSAGE

Day 10 and the Easter break is fast approaching.

As all of our parents who are critical key workers have either already arranged child care over the break or are self isolating as a family, the school will close on Friday, 3rd April and is due to re-open on Tuesday, 21st April.

We await Government guidance in respect of continuing strategies to combat Covid 19, Corona Virus and will update you all on Monday, 20th April as to the school's part in the plans.

We will be sending home activity packs, either by email or via hard copy. If you have problems printing, please let Sue R know and she will arrange for a class specific pack to be sent to you in the post.

And remember, our mobile number is available for emergencies: 07436 364907.

ACTIVITIES / LINKS THAT MIGHT BE HELPFUL

Laura, one of our Speech & Language Therapists thought as so many children around the country have been putting teddies in their windows for others to spot on their daily walk, she would make up a story board for this well loved story by Michael Rosen. This is something that children and parents can use to tell the story, linking the symbols. You will find a copy of the storyboard attached.

For the more proficient readers, there are a wealth of children books available to download for free. Try this site:

<https://www.freebooks-app.com>

Lucinda, another of our SALTs said sometimes it's nice just to listen to a story and has given a link to free audible children books:

<https://stories.audible.com/start-listen>

There's nothing as good as a story and hopefully within the above suggestions, there will be something for all of our pupils.

Whilst he is at home, Aaron has been tuning into Cosmic Yoga on You tube. His Mum, Sharon recommends trying this activity. A nice calming session after the Joe Wickes PE session!

Ben has been enjoying his new swing and has also painted a beautiful picture which he has sent to Copperfield Academy, who have asked for pictures to brighten up the new ward in Nightingale Hospital. If anyone else would like to help, email your painting or colourful drawing to kelly.curtis@copperfieldacademy.org Remember to mention you are from The Link Primary School.

WHAT'S EVERYONE BEEN UP TO?

Lily and her sister have designed their own t-shirts, which we think are absolutely fantastic. With the family having to self isolate for 12 weeks, due to her sister's vulnerability, their message is all the more heartfelt.

Today at school, with the help of Kevin, our Site Manager, one of the pupils made a Bug Hotel. Very easy to make and something that we are hoping will have lots of guests by the time we return to school after Easter.
