SANDY'S DAILY MESSAGE

Today my message is to say a "Huge Well Done" to all those children and parents who are on lock down at home. I really enjoy seeing all the photographs in our updates - so many wonderful activities going on and lots of hard work too.

I imagine you are all missing school and seeing your friends - it is a very difficult time. We miss you too, that is why it is so lovely to see your photos.

I was especially pleased to see that some of you have accessed our on-line videos already too. Another wonderful way to keep connected and maintain our link.

The school office remains open from 8.30am - 4.00pm every day and our emergency mobile is still live, should you wish to contact us: 07436 364907.

Sandy

ACTIVITIES / LINKS THAT MIGHT BE HELPFUL

Olha has found some activities/sites which may be of interest.

Firstly, tomorrow Friday, 1st May primary and nursery aged children are invited to take part in the Booktrust's Pyjamarama festival - wear your pyjamas all day and get involved with the story filled line-up of fun. To download a pack of activities, look up their website - www.booktrust.org.uk.

The Tate's website has an amazing number of exciting creative activities for all abilities, such as painting with chocolate (!) and creating your own pop art. It has ICT games too - all with an art theme. Check it out at www.tate.org.uk/kids

Every day at 1.30pm, children can join instructors for a fun dance and entertaining workout. Lasting 10 minutes, it was

developed by Darcey Bussell. Go to www.diversedancemix.com to find out more.

WHAT'S EVERYONE BEEN UP TO?

Udi has been helping her Mum Neha with some volunteer work. They pick up and drop off visor assembly packs, then collect them once they have been assembled by other volunteers. She is really enjoying it. Everyone here at The Link is very proud of you both. Keep up the amazing work.

Neha has also passed on a simple recipe from [Banana and Walnut cake](#), which she and Udi love making and eating!

Cream 4 oz of butter with 5 oz of light brown sugar.

Add 2 lightly beaten eggs.

Add 3 oz walnuts, 2 mashed ripe bananas and 2 tbsp of milk.

Finally fold in 8 oz self raising flour.

Pour into loaf tin lined with baking paper and sprinkle 1 oz of walnuts on top.

Bake for 55-60 minutes in a preheated oven at 160 degrees (fan) or 180 degrees without fan.

Leyland from Oak Class wanted to show everyone what he has been making out of Hama beads. They are fantastic Leyland!

Alfie has been producing some wonderful art work at home. Just look at this dog he has

drawn. We are very impressed with your talent Alfie.

Ben from Acorn has been enjoying cooking with Mum, Rebecca too. Together they made a most delicious chocolate cake.

We love the look of your icing Ben. We hope Mum let you lick the spoon before the cake went into the oven!

Michelle from Oak wants to say a big thank you to Saloua.

She really enjoyed making her kite, which we all think looks fabulous. Michelle says she is missing all of us.

Alex from Hazel has been working really hard, perfecting his 'telling the time' skills using an analogue clock. Well done Alex - we are counting the time until we are all back at school again.
