SANDY'S DAILY MESSAGE

As I mentioned yesterday, **school will be closed this Friday, 8th May**, as it is a bank holiday - specifically to celebrate VE Day.

Alex from Hazel Class has been doing some research into VE Day and he has sent in a presentation he has put together, which I am going to share with you all. I have attached the original version - all Alex's own work.

The research and IT skills that have been used to compile this are evident to see.

Thank you Alex for your all your hard work. I'm sure everyone will find it as informative as I did.

Sandy

ACTIVITIES / LINKS THAT MIGHT BE HELPFUL

Lily's butterfly collage made from leaves and twigs really impressed Olha. In fact it inspired her so much, that she has sent in some collages she has made herself. A lovely activity for the children to do. Can anyone else make pictures like these?

Ben from Acorn has been really enjoying an activity that Mum Rebecca has been doing with him, which she thought would be a good one to share.

Rebecca cuts out pictures and then hides them in flour.

When Ben finds a picture, he has to tick the matching word on the paper.

What a good activity - aiding reading skills, whilst being wonderfully sensory too.

WHAT'S EVERYONE BEEN UP TO?

It was lovely to hear from Catherine today and to learn that Toby from Acorn is beginning to use his words and is starting to speak.

He has a number of words he is now trying to say and he is also counting up to ten.

Catherine simply can't wait for him to return to school now, so that Selina and the Acorn Team can help him make further progress.

This news is so good to hear and we can't wait to have everyone back here at school either!
