## SANDY'S DAILY MESSAGE

I can advise that we have now finally worked out a timetable for next week.

We will be contacting parents individually to advise when their child will be able to attend.

Due to the high number of requests for pupils to return and the relatively small amount we can allow on-site at one time (to adhere to DfE Covid 19 guidelines), most placements will be for one or two days and a number of factors have been taken into account in making these decisions.

I trust you will understand the situation we find ourselves in and realise we have accommodated every request to return in our planning.

*Sandy*

## ACTIVITIES / LINKS THAT MIGHT BE HELPFUL

Michelle has uploaded another video on her Youtube channel. The subject she is covering this time is the Zones of Regulation. Although primarily set up as a communication and learning tool for Maple Class, it is proving very popular amongst all our pupils (and ex pupils we hear!) Do take a look - \*\*\*\*\*

Olha has found a wonderful on-line book to read entitled "Winnie and Wilbur Stay at Home". She loved sharing it with her boys, who found it very funny. The book can be found at the following link:

## WHAT'S EVERYONE BEEN UP TO?

This week has been full of lovely surprises.

In the post this morning, we received a certificate of appreciation to thank us for being "A Carshalton and Wallington Unsung Hero".

Presented to local people and organisations who have stepped up and helped during the crisis, it gives them the recognition that they deserve. We feel very honoured to have received this award and would like to thank whoever nominated us for doing so.

We all know that Leyland celebrated his birthday last weekend, but we were pleased to learn that his birthday certificate and gift from Sandy arrived safely - albeit two days late!

Leyland sent in his thanks and his Mum, Jasmine said we couldn't have chosen a better gift - the whoopee cushion was gratefully accepted and loud noises are now erupting all over the house, following by the cheeky giggle we are all so familiar with!
