## SANDY'S DAILY MESSAGE

A copy of the "Joyful June (even in difficult times)" mindfulness calendar was circulated to all of the Link community at the beginning of the month. It is on display in our staff room and I note that today's action for happiness is 'make a plan with friends to do something fun together'. Now that our bubbles have been extended and we can meet friends in gardens and parks, I plan to do just that!

Slowly, things are returning to a kind of normality and I, like everyone else, cannot wait for the time to come when once again we can meet up for a coffee or go out for a meal. The simple

Enjoy your weekend and stay alert.

*Sandy*

## ACTIVITIES / LINKS THAT MIGHT BE HELPFUL

Today's 'Lockdown Project' worksheet is all about special occasions that you may have celebrated during this time and how you enjoyed them and made them special.

For those pupils who enjoy Lego, Michelle's latest youtube video is a Lego challenge. Join her on a rescue mission and retrieve the stolen treasure from the pirate. \*\*\*\*\* is the

link you need to join in the adventure.

## WHAT'S EVERYONE BEEN UP TO?

Sophie from Beech Class celebrated her 10<sup>th</sup> birthday yesterday. She made a huge chocolate birthday cake with her Mum, Laura, who told us that all the decoration was Sophie's own work.

Sophie was thrilled with her new nest swing, which Laura and George managed to put together just in time for the big day.

Happy Birthday Sophie from everyone at The Link.

We celebrated two birthdays in school this week too. Archie and Lewis shared a cake on Thursday - by coincidence that was chocolate too! Today, they received their birthday certificates and gifts from Sandy and have both thoroughly enjoyed their celebrations at school.

## AND FINALLY .....

Did anyone guess who the monster eating Micky Mouse was in yesterday's update?

We can reveal ..... it was Udi. You certainly tricked some of us Udi.
