## SANDY'S DAILY MESSAGE

"Children's Art Week 2020" runs from 29<sup>th</sup> June - 19<sup>th</sup> July this year. The week actually runs over a period of three weeks, with lots of on-line activities, exhibitions and resources being available to all.

I felt I needed to share some of the art work that was sent into me when we discussed the rainforest in an update last week. I asked for the picture of the parrot to be coloured in, but as usual the Link pupils have been so creative. Every picture that was sent to me will receive a certificate and thank you for brightening both my day and my office with your beautiful creations.

## WHAT'S EVERYONE BEEN UP TO?

Has anyone been attempting the football challenge set by Ben from CPFC? Alfie F, Alex F, Emma and Sarah begun the challenge today at school. The ball skills were harder than originally thought and we are waiting to see whether their

skills improve by the end of the week.

Reegan bought in a wonderful clock today. He wanted to show his friends. What a lovely learning experience we witnessed as a result of this. Reegan and Kian got really engaged in an activity, working together, turn taking, exploring and examining the mechanisms of the clock together. They got very inquisitive, asking staff questions about time and movement. They both benefited hugely from this experience, so thank you for sharing Reegan.
