## SANDY'S DAILY MESSAGE

The end of another week and the end of term is fast approaching.

A reminder that we will be holding our 'Meet the Class' sessions via Zoom this year on Thursday, 9<sup>th</sup> July at 4.00pm. I hope you have all pencilled in the date and time.

Full details of class groups and the invitation to the zoom meeting will be sent out to parents next week prior to the meeting.

For those of you who are entitled to FSM meal vouchers, I understand that Sue R has contacted you to advise that this month's voucher code should have arrived in your email box earlier this week.

As you are aware, the Government have now decided they will be issuing meal vouchers over the summer holiday period and we are arranging for a one off voucher to be sent to you on 17<sup>th</sup> July that will

cover the whole of the 6 week summer break.

Have a nice weekend.

*Sandy*

## ACTIVITIES / LINKS THAT MIGHT BE USEFUL

Ben from Palace for Life Foundation was thrilled to learn that some of you took up his challenge last week. He tells us this week's challenges are a little harder and will need more foot control. Please find the daily challenge sheet attached and the link to his demonstration video below.

## WHAT'S EVERYONE BEEN UP TO?

This week it was nice to see some more pupils return to school. It

was also nice to hear that they have missed school and couldn't wait to come back - not everyone does you know! Lucas wasted no time in rushing to the raised beds, where he discovered that the strawberry plants his class planted in the spring were now bursting with fruit. He picked as many as he could and then with the help of Winsome, an SSA in Pine Class, he made some chocolate and strawberry muffins.

Acorn Class were cooking too this week and made some delicious flapjacks.

Alfie was more than willing to show off the class' baking skills as he loves having his photo in the update. He reminded us that the last time he was in the newsletter was a very long time ago.

Leyland went out this week. It was the second time he has been out since lockdown started and his Mum, Jasmine told us he was really good at wearing his mask. They went to the local garden and as a special treat he was allowed to pick something from toy section. It came as no surprise what he chose - his love of dogs just shines through every time.

Lily from Hazel Class celebrated her birthday this week. She came to visit us and bought some cup cakes for her class and the staff to share. We took the opportunity of presenting her with her birthday certificate and a gift from Sandy's birthday box - not quite the same handing it through a locked gate though! We're told she loved the gift though and Mum, Kayleigh sent in photos of her blowing out her candles.

Lily was also keen to show us all her new jacket, which we think is very trendy.

## AND FINALLY ....

You have probably heard in the media that Sunday, 5<sup>th</sup> July is the 72<sup>nd</sup> anniversary of the NHS and a nationwide clap to thank them will take place at 5.00pm. There is even talk of this becoming an annual tradition.

This year, on 4<sup>th</sup> July, the evening before, people are being asked to put a light in their windows in remembrances of all those who have lost their lives to the coronavirus pandemic.

Have a lovely weekend everyone and remember ....
